Subject: No Family accommodation to the participants during the training period.

Sir/Madam,

With reference to the subject indicated above, it is to inform that the number of hostel rooms in RTI, Shillong are limited and therefore trainees are often required to share rooms. However, there are some trainees nominated for training at RTI, Shillong who report for training with a number of family members or relatives causing problems regarding accommodation. It is therefore requested that all trainees be informed that **RTI, Shillong will provide hostel rooms only to nominated trainees.** In case trainees bring members of their family then they should be advised to make their own arrangements for stay.

This issues with the approval of Principal Director.

Yours faithfully,

 13/6/19

Core Faculty (Admn).
